

# BE-ARCHAEO 2<sup>nd</sup> workshop Okayama University

18 – 20 February 2020

## AGENDA

UNIVERSITÀ  
DEGLI STUDI  
DI TORINO

OKAYAMA UNIVERSITY

UNIVERSIDADE  
DE LISBOA

THE INTERNATIONAL RESEARCH INSTITUTE  
for ARCHAEOLOGY and ETHNOLOGY  
**unearthing world cultures**

**TecnArt**  
Tecnologia e ricerca per l'Arte

**TerraMarine**  
CONSULTING GEOLOGISTS

Center for Research on the Dynamics of Civilizations  
Graduate School of Humanities and Social Science,  
Okayama University

島根県

Shimane Prefectural Government

This project has received funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant agreement No 823826

**Tuesday, February 18<sup>th</sup>****9.00 – 17.30**

9.00 – 9.30

Opening - N. Matsumoto

The first year of BE-ARCHAEO at a glance: E. Diana (20 min)

**9.30 – 11.30****Materials from archaeological sites in Okayama and Shimane Prefectures – Pottery**

Chair: M. Gulmini

- The Tatetsuki burial mound: the archaeological question behind the considered shards  
J. Mitsumoto (20 min)
- Ueno, Zanmochi and Ishididai sites: archaeological questions behind the considered shards  
T. Katsube (30 min)
- Dating potteries from burial mounds in the Okayama and Shimane area  
F. Fantino (20 min)
- Pottery from Tatetsuki, Ueno, Zanmochi and Ishidai: (preliminary) results from archaeometric investigation  
T. Nozaka/P. Davit (30 min)
- Discussion (20 min)

**11.30 - 11.45****Break****11.45 – 13.30****Materials from burial mounds in Okayama and Shimane Prefectures - Glass**

Chair: N. Matsumoto

- Glass beads from Yayoi and Kofun burials  
T. Oga (40 min)
- Glass beads from burials and settlements in the Shimane prefecture: archaeological questions  
T. Katsube (30 min)
- Glass from Nima Ohtuska kofun - archaeometric results  
M. Gulmini (20 min)
- Discussion (15 min)

**13.30-14.30****Lunch**

**14.30 – 16.30****The BE-ARCHAEO database: integrating archaeological and archaeometrical data for finds**

Chair V. Lombardo

- Ontology and software tools for the BE-ARCHAEO endeavour on materials  
V. Lombardo (45 min)
- Codes and vocabularies  
N. Matsumoto - D. Petrella (30 min)
- Discussion (45 min)

**16.30 - 17.00****Break****17.00-17.30****Communicating BE-ARCHAEO** (Video-conference)

- BeArchaeo: communication challenges  
M. Merola (20 min)  
Questions (10 min)

---

**Wednesday, February 19<sup>th</sup>****9.00 – 17.45**

9.00 – 9.10

Opening (N. Matsumoto – E. Diana)

**9.10 - 10.45****The general frame on burial mounds**

Chair: A. Seike

- Present knowledge on Yayoi and Kofun burial mounds (structures, architectures, construction techniques): A. Seike (40 min)
- Burial mounds: links and breaks from West to East: M. Diniz (40 min)
- Discussion (20 minutes)

**11.45 - 11.00****Break**

**11.00-13.20****Tobiotsuka kofun: update on activities and preliminary results**

Chair: D. Petrella

- Current achievement of excavation, archaeological finds and interpretations  
A. Seike (30 min)
- Insights on degradation patterns and past human activities at the Tobiotsuka kofun: the contribution of metabarcoding analyses of the burial environment  
S. Voyron/L. Guglielmone (30 min)
- Comparison and matches among excavation methodologies
- I. Varriale (20 min)
- The Tobiotsuka kofun: joined contributions towards the interpretation of past records: D. Petrella (30 min)
- Discussion (30 min)

**13.30-14.30**

Lunch

**14.30 – 16.30****The BE-ARCHAEO database: an ontology for the archaeological site**

Chair: V. Lombardo

- The database ontology and knowledge from the stratigraphic units  
V. Lombardo (45 min)
- The BE-ARCHAEO database in action on the excavation field  
Ivan Varriale (30 min)
- Discussion 45 min

**16.30 - 16.45**

Break

**16.45-17.30****Roundtable: Communicating BE-ARCHAEO**

Chair: M.Diniz

Social and web-site - feedback from the BE-ARCHAEO researchers

**17.30-17.45**

Call for focus meetings (to be held on Thursday 20<sup>th</sup>)

M. Gulmini

## **Thursday, February 20<sup>th</sup>**

**9.00 – 17.30**

**9.00 – 11.00**

### **Forthcoming activities**

- The first Be-Archaeo summer school in Torino  
E. Diana (15 minutes)
- Communication, dissemination & public engagement  
M. Diniz (15 min)
- Samples from Tobiotuka kofun and other sites: selection for investigations  
--- (30 min)
- Field work in 2020
- --- (40 min)
- Secondment plan: past experience and future planning  
A. Lo Giudice (20 min)

**11.00 - 11.15**

**Break**

**11.15 – 12.45**

### **Roundtable: Towards the final exhibition I**

Chair: M. Diniz

How (preliminary) results will be used in the final exhibition?

**12.45 -14.30**

**Lunch**

**14.30 – 15.00**

### **Towards the final exhibition II** (Video-conference)

- Preliminary activity on BE-ARCHAEO materials  
D. Pletinckx (20 min)  
Questions (10 min)

**15.00 – 16.00**

### **Cooperation and synergy meeting**

Survey on (past and future) WP activities and Tasks

**16.00 - 16.15**

**Break**

**16.15 – 17.30**

### **Focus meetings**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant agreement No 823826
